	Short film: 'Team North Yorkshire – supporting our communities throughout the pandemic	
12.00 – 13.00	**Workshops**	**Separate link to workshops sent**

Today's speakers are:

Councillor Carl Les – North Yorkshire County Council

County Councillor Carl Les is Leader of the County Council and has been a member of the Executive since 2000. He was first elected to the County Council in 1997 and represents the Catterick Bridge division. His background is in hospitality and hotel management.

He is Chairman of the North Yorkshire Police and Crime Panel and sits on various boards representing the County Council, especially the Local Enterprise Partnership.

Previous roles have included Council Member of the North Yorkshire Learning and Skills Council, Director of Business Link York and North Yorkshire, and Board Member of the Yorkshire Pantry. Carl is active in the voluntary sector as a school governor, trustee of North Yorkshire Youth and Mid North Yorkshire CAB, and a director of the Wensleydale Railway.

The Very Reverend John Dobson DL – Chair of the Rural Commission

The Dean of Ripon, John Dobson, was appointed as the chairman to oversee the North Yorkshire Rural Commission ahead of its launch in November 2019. After a quarter of a century of ministry in the Diocese of Durham, he was appointed as the Dean of Ripon in June 2014. He is glad to be ministering in his native Yorkshire at a Cathedral that has been important to him since his childhood and which serves a vast rural area as well as the whole of West Yorkshire – all within the Diocese of Leeds. While at Ripon, he has led the Cathedral community in an envisioning process that has resulted in the strategy 'Growing God's Kingdom'. This is shaping the growing and nurturing of the congregation, the development of the Cathedral as a centre of heritage, pilgrimage and tourism and the mission extended through the Cathedral to the people and communities of the region. In 2018 the Cathedral created the Ripon Cathedral Rural Forum under the Dean's chairmanship. He has much experience in growing congregations, building developments, community engagement, diocesan strategy and committees, and partnership working with all sectors. John is married to Nicola who is the head teacher of a North Yorkshire C of E aided primary school. They have two children who, as young graduates, are establishing their careers in London.

Richard Flinton - Chief Executive of North Yorkshire County Council (NYCC)

NYCC covers the largest land mass in England providing services to over 600,000 people. The Council is one of the highest performing in the country in all areas - children's services is rated outstanding in all Ofsted categories.
Richard has been Chief Executive since July 2010 and has worked for NYCC for over 30 years - first joining as Trainee Trading Standard Officer. As Chief Executive, Richard has covered statutory roles of Director of Children & Young Peoples service and Health & Adult Services at different times during the last 10 years and has detailed knowledge of the council and North Yorkshire.

Richard chairs North Yorkshire Chief Executives group, North Yorkshire Local Resilience Forum and in 2014 chaired the Local Authority Delivery Group which co-ordinated the delivery of the Tour de France Grand Départ in Yorkshire. He is also lead Chief Executive for Yorkshire & Humber on children's services. Richard has recently been chairing the cross council implementation team to help develop and implement a new council for North Yorkshire. Richard was admitted to the College of Fellows (CoF) during the Chartered Trading Standards Institute (CTSI) Conference in June 2016. He is Honorary Secretary of The Association of County Chief Executives (ACCE) and also lead officer for ACCE on finance issues. He sits as a member of the national steering group looking at future local government funding. Richard was also appointed to the Ministerial Sounding Board for children's services.

Richard is married with 2 children and lives in Ryedale, North Yorkshire.

Etive Currie - Senior Planner DRS, Glasgow City Council + National Place Standard Implementation Team

Etive started working for Glasgow City Council (GCC) in 1999, as part of the forward planning team. She is the Lead Officer for the Scottish Government Equally Well Initiative (Ministerial Taskforce on Health Inequalities), looking at ways of 'Integrating Health and Wellbeing' into the Scottish Planning System. The key outputs from the equally well initiative were Currie's Healthy Sustainable Neighbourhood Model (HSN) and HealthySustainable Me (HSMe), a course for communities. So now she is, she guesses… a Healthy Urban Planner!! She has been promoting 'Placemaking' and 'Local People are the Experts' for the last 7 years or so.

She moved to the Development Plan Team in Glasgow City Council in 2012 and has introduced Placemaking and Health and Wellbeing into the Draft Glasgow Development Plan. The City's new Placemaking Policy incorporates the wider social determinants of health used to help deliver healthy urban planning. Since 2014, she has been part of the Scottish Government's 'National Place Standard' project team developing a National Place Standard for Scotland. She is also a WHO Place Adviser for the European Healthy Cities Network. More recently, she has done work on the UN-SDGs for the UN-ECE cities – place and climate.
