Council Plan 2017/21

Details how we intend to adapt to meet the challenges up until 2021.

Sets out our vision and values and describes a three pronged approach - to provide leadership; to enable individuals, families and communities to do the best for themselves; and to ensure the delivery of our own high quality services.

Four key ambitions for 2021:

- Every child and young person has the best possible start in life;

- Every adult has a longer, healthier and independent life;

- North Yorkshire is a place with a strong economy and a commitment to sustainable growth that enables our citizens to fulfil their ambitions and aspirations; and

- We are a modern council which puts our customers at the heart of what we do.
