Complaints Sub-Committee: Publication of the 'Complainant 1 and 2 report'

The Police, Fire and Crime Panel's Complaints Sub-Committee has published a report of its deliberations regarding two complaints submitted to the Panel last year in respect of the Police, Fire and Crime Commissioner. The Commissioner has volunteered to write to the complainants by way of effecting a local settlement to the complaints raised. The Sub-Committee has endorsed this approach as an informal resolution to this process.
