

## Settle Area Freight Quality Partnership - Routes Map

**Drivers should take particular care near to schools especially between the hours 7:45 - 8:45am and 2:45 - 3:45pm. Please take additional caution in areas with higher numbers of pedestrians including Settle town centre and market place.**

**Settle Quarry Action Line  
Contact number: 01729 860411**

A quarry action line is in place across the Settle area. This enables members of the public to report any instances of dangerous or irresponsible driving. Any calls to the line will be investigated and followed up by the quarry operators and if necessary North Yorkshire Police to establish if any action should be taken.

### KEY

-  School
-  Agreed route
-  Excluded route (except for access only)
